

Dear Friends and Westford Residents,

March 2021

What a year it's been! The Friends of the Cameron Senior Center, a 501(c)(3) non-profit volunteer organization, provides services and fellowship to seniors throughout the local community. Due to Covid 19, this year, most of the Friends' sponsored programs and activities had to be cancelled or redesigned to meet the requirements of social distancing.

We continue limited fundraising and assisting qualified seniors with emergency financial assistance for food, housing, utilities, medical services or transportation.

In a typical year, the Friends support to the Cameron would also include:

- Covering costs of fitness and exercise classes, so Westford seniors can attend **free-of-charge**.
- Sponsoring social activities and organizing fundraising events.
- Managing the Cameron thrift shop, Trudy's Boutique (hoping to reopen in a few months).

Check this out - a Friends website, where you can renew your membership, make donations or bid on the latest auction items! <https://westfordmafriensofcameron.com/>

New this year -- All Friends annual memberships run from July 1st -June 30th.

- All current 2020-2021 memberships have been extended **over one full year** until June 30, 2022.
- New members and volunteers are welcome.

Please donate! We appreciate the generosity of the Westford community and welcome donations to help fund our ongoing programs. Hopefully, there is a light at the end of the tunnel and we will see everyone in person soon.

Thank you for your support,
Barbara Upperman, President
